### WHAT IS ENDO 2024?

ENDO is the top global meeting on endocrinology research and clinical care, hosted annually by the Endocrine Society. ENDO provides the opportunity to collaborate with an unparalleled group of endocrinologists, health care practitioners, and scientists who lead our field. Our outstanding slate of world-renowned speakers will showcase cutting-edge advances in research and medicine, with presentations spanning the spectrum of science, clinical care, and social implications.

### WHAT IS ENDOCRINOLOGY MENTOR DAY?

The Endocrine Society gives medical students and residents the opportunity to learn more about endocrinology during the annual meeting! Attendees will be connected with an expert in the field who will serve as their mentor for the day and take them to signature events and sessions of interest. Participants will get free registration to attend the meeting on Sunday, June 2 and will also be provided a complimentary one-year Endocrine Society membership.
